Petition Signature Instructions

What does the petition do?

The petition, Article VI, will allow the residents of Saint Louis City & County to have a voice by establishing a Board of Freeholders/Electors. The Better Together Task Force has currently proposed that the proposal, to merge Saint Louis City and Saint Louis County, be held to a state-wide vote. We, the residents of Saint Louis City and Saint Louis County, need to have a voice in this process. By establishing a Board of Freeholders/Electors, the residents of Saint Louis City and County would be able to express their views on the governmental structure under which they choose to live, in an open, public and transparent forum. Thus far, they have not had that opportunity.

How to circulate a petition:

1. Download County and/or City petition from:
www.stlmuni.org/sign-a-petition
2. **Be sure that voters are signing the correct petition based on where they are registered voters (City or County).**
 - Ex. If someone signs the City petition and is registered to vote in the County, their signature will *not* be counted.
3. Be sure that the information provided is **legible** and voters are using the name under which they are registered to vote.
4. Petitions must be signed and notarized.
5. Return all completed petitions to:
